5. Set Spring/Summer Meeting Dates/Times:
 - April 11, 2019, 4:15 PM
 - May 9, 2019, 4:15 PM
 - June 13, 2019, 4:15 PM
 - July 11, 2019, 4:15 PM
6. Adjourn

CALL IN INFORMATION:

DIAL-IN-NUMBER: 1-866-244-8528

PARTICIPANT PASSCODE: 576515

CITY OF AMES, Iowa

MEMO TO: Ames Transit Board of Trustees

FROM: Sheri Kyras

DATE: March 15, 2019

SUBJECT: Construction Bids/Award – CyRide Bus Wash

BACKGROUND: CyRide’s current bus wash will be more than 15 years old bus at the time of replacement, which is past its 10-year expected useful life. The equipment is in poor condition and the infrastructure supporting the equipment is corroding due to the wet nature of the equipment’s usage. Therefore, CyRide included in the 2019-2024 capital plan, replacement of the bus wash at a total estimated cost of \$646,303. Funding to support this cost estimate is as follows:

| Funds Available | Dollars |
|---|-------------------|
| State Public Transit Infrastructure Grant(PTIG) Funds - 80% | \$ 517,042 |
| CyRide’s Capital Budget – 20% | \$ 129,261 |
| Total Available | \$ 646,303 |

INFORMATION: After the plans and specifications were completed and approved by the Ames City Council, bids were released on February 13, 2019. The work contained in the bid includes purchase of a new bus wash system and infrastructure improvements to place the new equipment within the building. Bids will be due on March 14, 2019. A summary of the bids received will be provided to board members prior to the March 15, 2019 meeting for consideration.

During the March 15, 2019 meeting, Rich Leners, CyRide’s Assistant Director – Fleet & Facilities, will provide board members with a brief analysis and staff recommendation of the bid(s) received.

CITY OF AMES, Iowa

MEMO TO: Ames Transit Board of Trustees
FROM: Sheri Kyras
DATE: March 15, 2019
SUBJECT: Construction Bids/Award – CyRide Bus Turnaround

BACKGROUND: CyRide’s two bus turnarounds (Ames Middle School and California/Ontario) were constructed as a way to turn the bus around at the end of its route. Due to the daily wear and tear of buses turning on the pavement in all types of weather conditions, the concrete is crumbling. Over the years, CyRide has patched or replaced sections of the turnarounds; however, the deteriorated condition of these two concrete bus turnarounds is beyond repair and must be replaced. Therefore, CyRide included in the 2018-2023 and 2019-2024 capital plans, replacement of the two turnarounds at a total estimated cost of \$135,000. Funding to support this cost estimate is as follows:

| Funds Available | Dollars |
|------------------------------|-------------------|
| CyRide’s 2018 Capital Budget | \$ 50,000 |
| CyRide’s 2019 Capital Budget | \$85,000 |
| Total Available | \$ 135,000 |

INFORMATION: After the plans and specifications were completed and approved by the Ames City Council, bids were released on February 13, 2019. The work contained in the bid includes replacement of CyRide’s turnaround on the south side of the Ames Middle School and at the intersection of California and Ontario. Bids will be due on March 14, 2019. A summary of the bids received will be provided to board members prior to the March 15, 2019 meeting for consideration.

During the March 15, 2019 meeting, Rich Leners, CyRide’s Assistant Director – Fleet & Facilities, will provide board members with a brief analysis and staff recommendation of the bid(s) received.
